OBJECTIVES

The DU FLEST is a one-year undergraduate degree dedicated to foreign students. This intensive preparatory year in French represents the first year of a process to integrate students in the French university system.

Language immersion
(General and specialised
teaching)

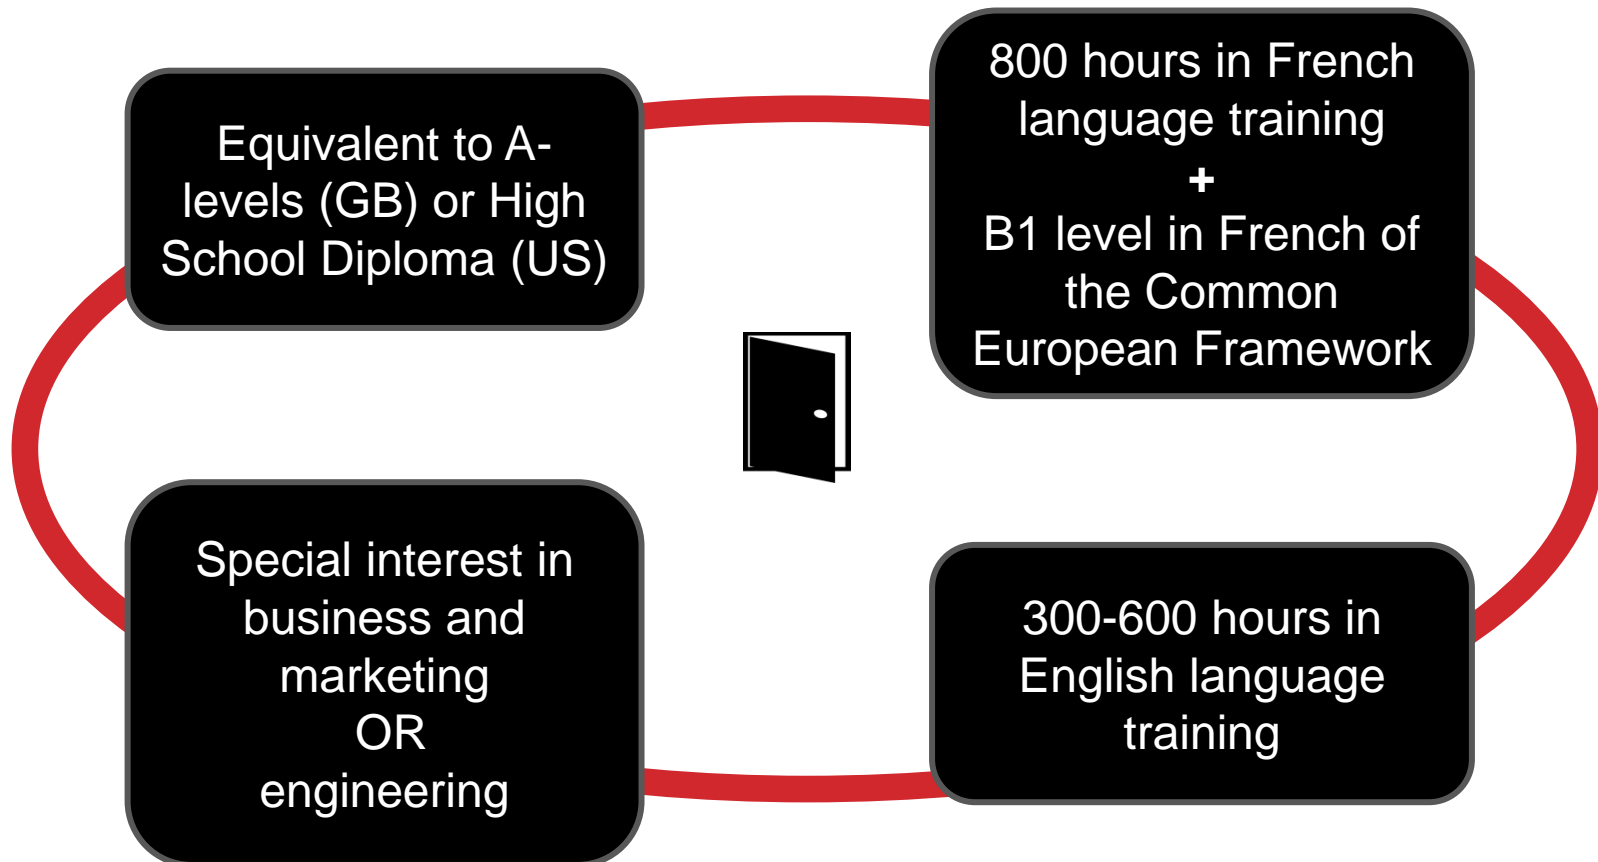

Get used to the
methods of teaching
in French universities

Reinforce the
required knowledge
in different majors to
enter a Bachelor of
Technology

REQUIREMENTS FOR ENTERING

International students must have the equivalent of their A-levels (GB) / High School Diploma (US) and must have studied French in their native country.

TRAINING

A steady working rhythm :

EDUCATION

32 weeks
(20-25 hours per week)*

PERSONAL WORK

Home / university library

Tutoring :

Tutoring from a
teacher**

Tutoring from
French students

*First 6 weeks to upgrade your French. **Academic tutoring depending on your needs.

*** French students provide with individual help depending on your needs
